

Cayuga Lake HABs Monitoring Program

Priority Shoreline Areas for Sampling in 2025

- **Seneca County**

- **Seneca Falls water treatment plant intake-South Parker Road, Fayette**

- Zone #: 3451
- Current volunteer assigned to zone: Steve Chenenko
- **SEEKING 1-2 OTHERS AS "BACK UP"**
- Justification from DOH: This site is a priority for the SCHD in that the intake for the public water supply for the Town of Seneca Falls is located there. We need to know about HABs here asap.
- Alyssa has made contact with Manager, permission granted to access shoreline.

- **Sheldrake Point-Sheldrake Point Road, Wyers Point Road**

- Zone #: 3441
- **Current Volunteers: None, NEED TO ASSIGN 1-3**
- Justification from DOH: This is a regulated public water supply. Their source is a shoreline well. We need to know about HABs here asap.
- Publicly accessible shoreline.

- **O'Malleys & Cayuga Shoreline-County Road 153, Interlaken**

- Zone #: 3439
- **Current Volunteer: None, NEED TO ASSIGN 1-3**
- Justification from DOH: This is a regulated public water supply. Their source is a shoreline well. We need to know about HABs here asap.
- Alyssa needs to contact property owners to request shoreline access from land.

- **Spotted Sandpiper-Kingtown Beach Road, Trumansburg**

- Zone #: 3491
- Current volunteer assigned to zone: Geoff Shallard
- **SEEKING 1-2 OTHERS AS "BACK UP"**
- Justification from DOH: This is a regulated public water supply. Their source is a shoreline well. We need to know about HABs here asap.
- Alyssa needs to contact property owners to request shoreline access from land.

- **Thirsty Owl Wine Company-Elm Beach Road, Ovid**

- Zone: Need to assign
- **Current Volunteers: None, NEED TO ASSIGN 1-3**
- Justification from DOH: This is a regulated public water supply. Their source is a shoreline well. We need to know about HABs here asap.
- Alyssa has emailed property owners to request shoreline access from land, no response yet.

Cayuga Lake HABs Monitoring Program

Priority Shoreline Areas for Sampling in 2025

- **Cayuga County**

- **Lockview Marina & Boat Transport OR Cayuga Marina Outfitters, Cayuga**

- Zone #: 3458
- Current volunteer assigned to zone: Shelley & Si Meyer
- **SEEKING 1-2 OTHERS AS "BACK UP"**
- Justification from DOH: This site is a priority as it is the only site in the northern part of Cayuga Lake in Cayuga County north of the railroad trestle.
- Alyssa needs to contact property owners from either property to access the shoreline and for volunteers to be on the docks.

- **Long Point State Park, Aurora**

- Zone #: 3410
- **Current Volunteers: None, NEED TO ASSIGN 1-3**
- Justification from DOH: This site is a priority because it allows swimming but is not regulated by the local health department, so it does not get monitored/sampled the same as a typical "bathing beach" would.
- Publicly accessible, Alyssa will secure free park admission for volunteers who will be entering to monitor.

- **Frontenac Park, Union Springs**

- Zone #: 3474
- Current volunteer assigned to zone: Sue Secaur
- **SEEKING 1-2 OTHERS AS "BACK UP"**
- Justification from DOH: This site is a priority because it has an adaptive kayak boat launch where people could get exposed. The bathing area is not open for use or regulated so there is no health department HABs monitoring or sampling.
- Publicly accessible.

- **Harris Park, Cayuga**

- Zone #: 3475
- Current volunteer assigned to zone: Pauline Harry
- **SEEKING 1-2 OTHERS AS "BACK UP"**
- Justification from DOH: This site is a priority because it has Kayak boat launch where people could get exposed. The bathing area is not open for use or regulated so there is no health department HABs monitoring or sampling
- Publicly accessible

Cayuga Lake HABs Monitoring Program

Priority Shoreline Areas for Sampling in 2025

- **Tompkins County**

- **Salt Point Preserve, Lansing**

- Zone #: 3419
- Current volunteer assigned to zone: Diane Beckwith/Sue Ruoff
- Justification from DOH: unregulated swimming location
- Publicly accessible

- **Lansing Harbor, Lansing**

- Zone #: 3420
- **Current Volunteers: None, NEED TO ASSIGN 1-3**
- Justification from DOH: regulated public water supply
- Alyssa needs to contact property owners to request shoreline access from land and for volunteers to be on the docks.

- **Near the Bolton Point intake, Ithaca**

- Zone #: 3462
- Current volunteer assigned to zone: Glenn Ratajczak
- **SEEKING 1-2 OTHERS AS "BACK UP"**
- Justification from DOH: regulated public water supply
- Accessible to Glenn, access ok for other volunteers to access as needed?

- **East Shore Park, Ithaca**

- Zone Number: 3424
- Current volunteer assigned to zone: Louise Buck
- **SEEKING 1-2 OTHERS AS "BACK UP"**
- Justification from DOH: unregulated swimming location
- Publicly accessible

- **Glenwood Pines/Apartments/Ithaca Yacht Club, Ithaca**

- Zone(s) #: 3464/3432
- **Volunteer: Need to reassign**
- **SEEKING 1-2 OTHERS AS "BACK UP"**
- Justification from DOH: regulated public water supply
- and for volunteers to be on the docks.
- Alyssa needs to contact property owners to request shoreline access from land.
